Fleet Management Solutions

## Shift Productivity and Safety into High Gear

These days, business moves faster than ever. Keeping your trucks on the road is top priority. Geotab's fleet management solutions give you complete visibility of workforce, assets, and costs for greater insight and informed decision-making. We have the tools you need to maximize uptime, maintain compliance, dispatch and route efficiently, reduce fuel, and control costs. Track your heavy equipment and powered trailers and assets with the IP67 rated GO RUGGED ruggedized telematics device for harsh conditions or external installation.

### The Geotab Advantage

- + Complete visibility of workforce, assets, and costs
- + Track fuel usage & idling trends
- + Monitor engine hours & PTO usage
- + Route optimization
- + High-performance GPS technology
- + Advanced dashboard reports
- + Open platform for easy data integration
- + Marketplace apps & add-ons

# Open Platform Fleet Management Solutions

## Boost Productivity & Control Costs

- + Accurate ETA's
- + Increase driver productivity
- + Increase uptime
- + Create customer zones / geofences

## Manage Compliance

- + Improve CSA scores
- + HOS & DVIR (Vehicle inspections)
- + Electronic logs for reduced paperwork
- + Set policy rules and alerts

## Improve Driver Safety

- + Risk and safety reports
- + Driver scorecards
- + Driver feedback
- + Instant accident notification
- + Monitor seat belt use

## Expandability

- + IOX technology
- + SDK & APIs
- + Driver ID
- + Temperature tracking
- + Tire pressure monitoring
- + Monitor sensors and signals with IOX-AUX
- + Camera Integration

## Cut Fuel Costs & Optimize Fleet

- + Fuel consumption tracking
- + Reduce speeding and unnecessary idling
- + Reduce CO2 emissions
- + Route optimization (review planned vs. actual)
- + Detect engine issues
- + Remote diagnostics
- + Predictive maintenance

## Geotab GO9 Telematics Device

- + Fast GPS acquisition time
- + Rich, second-by-second data
- + Ultra-accurate engine diagnostics
- + Self-calibrating accelerometer

## Do more with your data

Navistar OnCommand™ Connection (OCC) Remote Diagnostics

Big Data for Business Intelligence

Geotab Drive Mobile App for HOS, DVIR & Driver ID

Service Relationship Management

Paperless Forms, Manuals & Invoicing

Multimodal Dispatch & Workflow
